Insult of official of IFA at Karachi

†1801. SHRI VASANT CHAVAN: Will the PRIME MINISTER be pleased to state:

(a) whether the officials of Indian Football Association (IFA) were insulted at Karachi Airport and sent back;

(b) if so, the date of the incident and the reasons therefor; and

(c) whether Government have discussed the matter with Pakistan Government and the details thereof?

† Original notice of the question was received in Hindi.

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI E. AHAMMED): (a) and (b) Shri P.K. Banerjee, Manager of the Indian Football Team which won the SAFF Trophy in Karachi, was stopped at Karachi Airport from leaving on 18th December, 2005. It seems that he had been issued a Police Reporting Visa by Pakistan High Commission in New Delhi and this requirement had not been complied with by Shri Banerjee in Karachi. Shri Banerjee was allowed by Pakistani authorities to leave subsequently on 19th December, 2005.

(c) The matter was brought to the attention of the High Commission of India, Islamabad on 19th December, 2005. This was taken up with Pakistan Ministry of Foreign Affairs, which promised to look into the matter.

Trade and business with Pakistan

1802. SHRI LEKHRAJ BACHANI: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that in one of the recent press meetings President of Pakistan has said that Pakistan would not consider to increase the trade and business with India;

(b) If so, Government's reaction thereto; and

(c) whether such statement by Pakistan President would adversely affect the peace process which is being accelerated by Government ?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI E. AHAMMED): (a) Yes, According to President Musharraf's official website, on 27 January, 2006, at a Press Conference at the World Economic Forum at Davos, on trade and economic ties with India, he said, "I do understand that economic benefits of inter relationship between India and Pakistan are tremendous with no doubt in my mind that there is tremendous gain on both sides if we were to interact but at the same time, you must understand that there has been wars between our countries... So unless you resolve or remove the irritants solve disputes it will keep festering and we don't know what the attitude of the future leaders will be. So permanent peace will never come and whatever economy or economic relationship you are talking may get hindered again in the future with changed environment..."
